Technical Specification

Product Code: ECSPRC

Description: Smart Alarm Remote Control

General Information

Dimensions	57mm x 31mm x 11mm
Weight	20g
Warranty	1 Year

Power

Operating Voltage (DC)	3V
Consumption	<7mA
Power Reserve	Approx. 12 Months
Battery Type	CR 2025

Construction

Material	ABS
Colour	Black

Programming

Available Operations	Home/Arm/Disarm/SOS

Transmission

Wireless Transmission	433 MHz
Transmission Range	80m (open field)

Environmental

Operating Temperature	-10°C - 55°C
Relative Humidity	<80% (non-condensing)

Components Supplied

Fort Remote Control
User Guide

Features

LED Indicator to indicate transmission
4 buttons for the 4 settable modes
